SUBMISSION OF CORRECTED FORMAL DRAWINGS

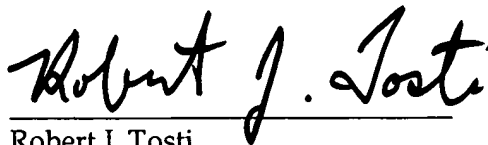

Sir:

In response to the NOTICE OF DRAWING REQUIREMENTS (copy enclosed) mailed on June 13, 1995 from the Patent Office, please find enclosed herewith:

- (a) the formal drawings for this application (8 sheets); and
- (b) a copy of the NOTICE OF DRAWING REQUIREMENTS.

Note: According to 37 CFR 1.84(1), identifying indicia (such as the attorney's docket number, inventor's name, number of sheets, etc) not to exceed 2 3/4 inches may be placed in a centered location between side edges within three-fourths inch of the top edge. Either this marking technique on the front of the drawing or the placement of this information on the back of the drawing is acceptable. However, for identification of the application number, the PTO prefers that it be placed on the front. Notice of September 30, 1986 (1070 O.G. 47-59, 54-4).

Respectfully submitted,

Robert J. Tosti

NOTICE OF DRAWING REQUIREMENTS

☐ The PTO delayed in providing a commercial bonded draftsman with drawings from the above-identified application. The delay prevented the draftsman from filing corrected drawings within the response period set in the Notice of Allowability mailed _____. Hence, said response period is hereby vacated. THE SHORTENED STATUTORY PERIOD FOR RESPONSE to comply with the requirement for drawing corrections is set to EXPIRE ONE MONTH FROM THE DATE OF THIS LETTER. Failure to comply will result in the ABANDONMENT of this application. Extensions of time may be obtained under the provisions of 37 CFR 1.136(a) by filing the appropriate request and fee before the end of the six month statutory period for response.

☒ Corrected/substituted drawings for the above-identified application, received in the PTO on 5/22/95, are still considered informal for the reason(s) identified on the attached Form PTO-948.

☒ Applicant has the time remaining in the response period set in the Notice of Allowability or Notice of Drawing Requirements mailed 5/24/95 to overcome the objections raised in the attached Form PTO-948. This response period may be extended under the provisions of 37 CFR 1.136(a) by filing the appropriate request and fee before the end of the six month statutory period for response.

☐ The PTO delayed in reviewing the corrected drawings. Applicant is given ONE month time limit from the date of this letter to provide corrected drawings. NO EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 CFR 1.136(a) or (b). See MPEP 714.03. However, the response period set in the Notice of Allowability or Notice of Drawing Requirements mailed _____ may be extended under the provisions of 37 CFR 1.136(a) by filing the appropriate request and fee before the end of the six month statutory period for response.

☐ Corrected/substituted drawings for the above-identified application received in the PTO on _____ were submitted outside of the period for response set in the Notice of Allowability or Notice of Drawing Requirements mailed _____. This application will become abandoned unless applicant obtains an extension of time under the provisions of 37 CFR 1.136(a) by filing the appropriate request and fee before the end of the six month statutory period for response.
